

Stat 445 Final Project: Group Sign-up Sheet

Due: in lab on March 8 or 10
(hand in only one sign-up sheet per group)

For the final project, you have the option of working individually or in a group of **two to four** people. Each group should elect a “group leader.” The group leader doesn't have to do any more or less work on the project than the other group members. He or she just has to act as the group's main contact person.

Please take the next week to organize your group, and have the group leader fill out and hand in this form with his or her assignment #6 in the lab on March 8 or 10. If you wish to work individually, please fill in your name and email address as the “Group Leader”, and leave the rest blank.

Group Leader: Name: _____

Email: _____

Other Members: Name: _____
(up to 3 more)
